

YOKOGAWA

ONLINE TRAINING

Exaquantum System Administrators

ONLINE TRAINING COURSE

Course Objectives

This course covers the tasks necessary to provide day-to-day administration of a configured Exaquantum system.

Prerequisite Knowledge

An Exaquantum System Administrator will have attended either the Exaquantum Desktop Client Users Course (NTPP901) or the Exaquantum/Web Client Users Course (NTPP902) prior to attending this course.

Who Should Attend

This course is designed for anyone who is to provide day to day management of an already configured Exaquantum system.

Program

- Introduction to Exaquantum administration and concepts
- Updating the existing configuration
- Database maintenance and data recovery
- First line troubleshooting

Duration: 18 Hours
