YOKOGAWA

Exaquantum Web Client Users

ONLINE TRAINING COURSE

Course Objectives

This level 2 course aims to provide the user with the basic skills to use Exaquantum/Web on either a Desktop PC or Tablet Device as well as Exaquantum/Explorer Excel Add-in to obtain
live and historical data for their own use.

Prerequisite Knowledge

It assumes that the user has already attended the Exaquantum Product Overview Course (NTPP900).

Who Should Attend

Anyone who wishes to analyse data in Excel or access data using user level features of Exaquantum/Web on either a desktop or tablet device.

Program

- Using the Exaquantum/Explorer Excel Add-in
- Using Exaquantum/Web
- Accessing Exaquantum Data using a Tablet Device

Duration: 15 Hours
