

JOB TITLE Software Developers

[VC019 / VC020]

ROLE DESCRIPTION

Yokogawa Marex requires Software Developers to be part of our team working on new and exciting projects. As a Software Developer your primary role will be in the research, design, implementation and testing of software products and solutions.

These roles would be suitable, but not restricted to, recent graduates or Software Developers with experience.

Experience would be beneficial but not essential, in the following technologies:

- .NET Core (C#)
- ASP.NET Core, HTML, CSS, JavaScript
- SQL Server, NoSQL databases
- Docker containerisation
- Cloud deployment

Candidates will have enthusiasm, good communication skills, be customer focused, thrive on problem solving and be a team player.

These roles are full-time positions, normal working hours of 37 hours per week. We offer a competitive salary dependent on skills and experience, bonus scheme, pension scheme, healthcare plan and 25 days annual leave per year plus Bank Holidays.

ABOUT US

Yokogawa Marex a Division of Yokogawa UK Limited (YMX) is a specialist software solutions Company within the Yokogawa Group providing software applications in the manufacturing execution systems (MES) solution domain. These applications are sold through Yokogawa offices around the world to major end users in the Hydrocarbons, Chemical, Power and Pharmaceutical industries. YMX is the centre of expertise for Yokogawa Global MES Solutions.

We are located in Cowes, on the Isle of Wight.

TO APPLY

Please submit your CV and covering letter of application, including salary expectations and email it to: ymx.recruitment@ymx.yokogawa.com
