Keeping the teams organised and on track

for the great things they do

Introducing Christine Defontaine

Job Title: Technical Services Administrator
Yokogawa Marex Office - Cowes

When did you join Yokogawa Marex?
February 2020

Describe yourself in three words:
Loyal, Fun and Smart

Fun fact about you:

Owned my own café in The Hague – quirky Lunchroom & Gallery. It was a café with a very entertaining motto – we had a stage for live music (that I opened with a song or two, much to the feigned annoyance of my staff 😊), a beautiful art gallery where we had fabulous art exhibitions every month and in the first 6 months, my Facebook likes hit 1,500!

What's your favourite drink?

Full bodied wine: red in the winter/white in the summer

What was the first thing you bought with your own money?

Marie Osmond's Paper Roses album – I was 13 years old.

What was the best concert you ever attended?

The Eagles in Wembley around 1995 – I believe it was Hell Freezes over tour! Just loved the riffs which seemed to go on for ages to Hotel California (my favourite song)!

If you could have a super power, what would it be?

Healing hands to heal the world from sickness and pain

Favourite childhood movie?

Grease (love John Travolta)

Do you have a secret talent?

A good storyteller
