Introducing Lee Miller

Job Title: Software Engineer
Yokogawa Marex Office - Cowes

When did you join Yokogawa Marex?
October, 2020

What are you responsible for?
Development work on ALMS and Safety management products as well as looking after the Application Installers.

Describe yourself in three words:
Resourceful, Reliable, Friendly

What's your favourite dinner and drink?

Burger and Somersby Cider

What's your favourite hobby?

Skiing – I started when I was probably about 11 or 12

Favourite Ski resort?

Val d'Isere

Favourite run?

A nice long red run. My dream run would be the Swiss wall in Avoriaz, a ski run so steep it has a chair lift to get down!

Best event you ever attended?

FIS World Cup in Bansko.

If you could have a super power, what would it be?

Definitely teleportation, I'd have so much free time.
