**Development of ALMS and**

**Safety Management applications.**

# Introducing Matthew Westmore

**Job Title:** Software Developer  
Yokogawa Marex Office - Cowes

---

**When did you join Yokogawa Marex?**  
April, 2020

---

**What are you responsible for?**  
Development of ALMS and Safety Management applications.

---

**Describe yourself in three words:**  
Conscientious, Methodical, Determined

---

**Fun fact about you?**  
I once got backstage for the after party of a Bananarama concert at Wembley Arena!

## What's your favourite food and drink?

Curry – Preferably from Curry Royal in Wimbledon and Beer – I am a lapsed member of CAMRA

---

## If you could have a super power, what would it be and why?

Having three small children, the power not to need any sleep would be really useful.

---

## What was the best concert you ever attended?

The Prodigy at The Brixton Academy 2009. Either that or any one of the many times that I have seen Sparks.

---

## First thing you bought with your own money?

A racing bike from a neighbour's catalogue. It cost £68.50 in 1978 (equivalent of about £350 today). I had to save up for over a year to get it.

---

## What was your favourite band?

The Smiths – My son is called Morrissey
