Trevor McAlister

Software Engineer
Yokogawa Marex

" **I'm responsible for web development, performance optimisation, application deployment** "

Introducing **Trevor McAlister**

Job Title: Software Engineer
Yokogawa Marex Office - Cowes

When did you join Yokogawa Marex?
December 2009

What are you responsible for?
I develop web applications to meet our customer's functional and performance requirements, and create tailored deployment solutions

Describe yourself:
Dedicated to the pursuit of performance

Favourite type of race?

Favourite type of race is Fell Runs, where you get to run up & down mountains, and sometimes run down what a normal person would see as a cliff.

Do you have a favourite race location?

Favourite race is the Snowdonia trail half marathon, that goes up & over Snowdon and is a brutal race.

Fun fact about you?

I only started running at 32, and did 7 Marathons in the first 3 years

Do you have a favourite quote?

"Running never get easier, you just get faster"

Do you belong to a sports club?

I've been the Men's captain for Ryde Harriers running club for the last 4.5 years
